Learning to live brilliantly... it's our client's dream, our staff's passion and our donors' desire for others. Candeo is a non-profit organization working to support adults with disabilities to live independently and become integrated members of their community. Every year our organization holds a Wheelchair Basketball Competition (WBC) as a way to gain visibility for our cause.

This year The WBC will be held on **Saturday, February 24th, 2017, Southview Middle School, 1020 SW Cherry Street, Ankeny, IA 50023.**

Drake football players will again be up against Grand View football players in an exciting, wild game of wheelchair basketball. This year we are adding another level of fun and excitement! The Des Moines Police Department will play against the Des Moines Fire Department and the winner of this game will play the winner of the Drake/Grand View game for a Championship Trophy.

In keeping momentum from the largely successful 2017 event, we are planning on **PACKING THE HOUSE** in 2018! Please join us in making this year's WBC our biggest success yet and more importantly, please help give our clients the best. Independence is a blessing. Being able to support others in achieving it is an incredible gift.
